

June 18, 2018

Dear generous supporter,

We here at Independence, Inc. hope you enjoyed our first ever Annual Report featuring some of our programs, services and consumer highlights whose successes are all due in part to the financial support we receive through people like you - people who partner with us in our mission to maximize the independence of people with disabilities through advocacy, peer support, training, transportation and community education.

It's time once again that we are asking for your continued support during our mid-year fundraising campaign. This mid-year support is crucial to the ongoing success of our programs and services as we serve people with disabilities in Douglas, Jefferson and Franklin Counties. Thank you to those of you who have given already after receiving the Annual Report - we are grateful for your support! If you haven't yet given to our mid-year campaign, would you consider partnering with us? We know that circumstances change and times can be tough, and we all want to make sure our hard-earned money is put to good use. If you would like to talk to us about our programs and learn more about how we serve our communities and the ways in which our organization is sustained through donor support, please contact us, we would be happy to share more about our services, our successes and our ongoing needs.

If you would like to contribute to our organization please fill out and return the enclosed card, or for your convenience, you can make a donation quickly and securely with our online donation tool. Visit <http://www.independenceinc.org/donate/> to help sustain our work.

Thank you for considering giving to Independence, Inc. We appreciate our supporters and look forward to an ongoing partnership. *If you didn't receive your copy of our Annual Report, you can find it on our website <http://www.independenceinc.org> or contact us to receive your copy.*

Sincerely,

Jill Enyart, Co-Executive Director

Bob Mikesic, Co-Executive Director
