

Protected Income Level Advocacy:

Consumers: Please make a short video on your cell phones and send to Kancare Advocates Network (KAN) as well as post on social media thanking legislators for supporting the change to the Protected Income Level (PIL) so you can keep more of your own money to remain independent in your communities. You are encouraged to include how you will use the additional money to make ends meet and support your personal independence.

- Keep the video around one minute long
- record horizontally and make sure it is relatively close-up
- Send video to Barb Conant: ksadvocatesnetwork@gmail.com

Some things to consider including in your video are:

- Your name, where you live (city, town, etc.)
- How difficult it is for you or someone you know to live on \$747 each month
- How an additional \$430/month in your pocket could help make ends meet
- Thank you for letting me keep my own money
- And anything else you want to share!

Feel free to upload the videos on your own social media accounts and tag Governor Laura Kelly and include #ksleg #kshcbs #kskan #kancare.

SPREAD THE WORD! Feel free to pass this information on to anyone else in Kansas you feel could benefit from sharing their perspective on this important issue!

**If you would rather not record a video, feel free to substitute the video with a photo of yourself holding a sign that says "Thank you for letting me keep my money #kshcbs"*
