

MEALS TO GO

#ApartTogether

The Center for Great Futures is staffed with a full-time chef (Chef Nic!) who provides a hot dinner every evening to our teen members. During this trying time, Boys & Girls Club is offering prepared and packaged meals to ALL Club families!

Meals will be individually plated and wrapped. When you arrive, please tell the attendant how many meals you need. They will bring the meals to your vehicle. Chef Nic will try and provide extra portions on Fridays to help with weekend needs.

MEAL PICK-UP TIMES

Monday-Friday • 6:00 - 7:00 PM
Center for Great Futures
2910 Haskell Avenue
Drive-Up Service

Club families can also request pre-packaged shelf stable food from the Boys & Girls Club + Just Food pantry. Items will be boxed and sent to your vehicle. This could be requested any day of the week, but efforts will be focused on Fridays to help with weekend needs.

Special thanks to the Capitol Federal Foundation for their generous gift to make the Meals To Go program possible!

Meals and pantry items will be delivered the entire hour, or as long as supplies last. Please bear with us.
